

ADDENDUM No 2

(RFP for Appointment of Consultant for formulation of EPC Work/RFP for EPC contract, Evaluation of Bids & Selection of Bidder for development of Wind/Solar/Renewable Energy Power)

1. Schedule for receipt of the application shall be read as follows :

1. Receipt of offers on or before 3.00 PM (1500 Hrs) on **17/07/2015**
2. Opening of offers at 3.30 PM (1530 Hrs) on **17/07/2015**

2. Clause 1 – Introduction (section 1 at page 13) has been redefined as follows:

Government of Indian has decided to set up the 50 MW Wind Power plant in South India comprising of V.O. Chidambaranar, Chennai and Ennore. In this connection, these three ports are in process of floating a single RFP/Tender together.

The responsibility of the consultant starts from formulation of pre-qualification requirements, RFP for selection & finalization of EPC work and EPC vendor, pre-bid meeting onwards till successful finalization of order based on methodology of bid evaluation given in RFP. He will also assist in supervision and oversight the project during installation process and final commissioning.

3. Clause 2 – Scope work : note (1) under the clause 2 has been redefined as follows :

1. Three Major Ports have been given commitment to install a total of 50 MW of Wind renewable energy projects together, therefore, is in process of floating the single RFP for Wind Renewable Energy Power plants in South India. The responsibility of the consultant starts from formulation of pre-qualification requirements, RFP for selection & finalization of EPC work and EPC vendor, pre-bid meeting onwards till successful finalization of order based on methodology of bid evaluation given in RFP.

4. Clause 6 Pre-qualification

PQ1 shall be read as follows:

- a) The bidder should have carried out the bid evaluation (techno-commercial and price bid) of a wind farm/ other renewable energy power plant of at least 20 MW capacity in a single order in last 7 years as on due date of opening of the bid. The price bid evaluation must have been carried out based on IRR /NPV/VGF with a cash flow of minimum 10 years or levelized tariff for the life of the projects
- b) The consultant should have licensed software for wind resource assessment.

5. Clause 10 : Evaluation of Proposal

Evaluation table shall be read as follows:

S. No	Criteria	Marks
1	Past experience of the agency in the last ten years	45
1a	Experience in bid evaluation (techno-commercial and price bid) of a wind farm / other renewable energy power plant of at least 20 MW capacity in a single order in last 7 years <ul style="list-style-type: none">• More than two projects – 30 Marks• Upto two projects - 20 Marks	30
1b	Evaluation of the price bid based on IRR /NPV/VGF with a cash flow of minimum 10 years or levelized tariff for the life of the projects	7.5
1c	Licensed software for wind resource assessment	7.5
2	Qualification and Experience of Team Proposed for the assignment	35
2a	Team Leader (One): Post Graduate with graduate degree in Engineering with minimum 15 years works experience. Substantial experience in bid preparation and evaluation of Wind/Renewable Energy Power plant and/or other renewable sources of energy	15

S. No	Criteria	Marks
2b	<p>(i) Team member – Evaluation & Documentation Expert (One): (5 Marks)</p> <p>Post Graduate with graduate degree in Engineering with minimum 10 years work experience.</p> <p>Experience in preparation / evaluation of bids for Wind Energy Power plants. Preference for India experience.</p> <p>(ii) Team member – Legal expert (One): (5 Marks)</p> <p>Graduate degree in Law with minimum 10 years work experience.</p> <p>Experience in legal matter related to contractual agreements/ bidding document Preference for India experience</p>	10
2c	<p>Wind Energy Power Generation Expert (One): Post Graduate with graduate degree in Engineering with minimum 10 Years work experience. Substantial experience in design, development, installation and commissioning of Wind Energy Power plants.</p>	10
3	Approach, Methodology and Work Plan Proposed	20
3a	Approach & Methodology	10
3b	Presentation	10
	Total	100

6. Financial Proposal (FORM FP – 2)

Sl. No.	Milestones	Fees quoted (inclusive of all Taxes)
A	<p>For Scope of work as per Clause 2 (I to VI)</p> <p>(Consolidated Fees shall be quoted)</p>	

B	For Scope of work as per Clause 2(VII) : Assist in supervision and oversight the project during installation process and final commissioning (Consolidated fees shall be quoted)	
TOTAL (A + B)		

(Fees in words) Rs.

Note

Fee shall be given as per milestone. Therefore, separate price shall be indicated for supervision and oversight.

Payment will be paid based on the term.

7. Name of RFP : name of RFP shall be read as

Appointment of Consultant for formulation of EPC Work/RFP for EPC contract, Evaluation of Bids & Selection of Bidder for development of Wind Renewable Energy Power
