## Circular

### Subject: Sunset of PCS1x and Go-live of National Logistics Portal – Marine (NLP-M)

In line with our ongoing efforts towards 'go-live' of NLP-M, we are glad to announce that the PCS and a few other modules of NLP-M platform are targeted to be released on 5<sup>th</sup> December 2022. The URL for accessing the NLP-M platform will be [www.nlpmarine.gov.in](http://www.nlpmarine.gov.in).

With a shift to NLP-M, the existing PCS1x platform will be shut down and will no longer be available from 2<sup>nd</sup> December 2022, 2200 hrs. The break in operations between the shutdown of PCS1x and partial go-live of NLP-M is required for migration of data and user information.

All trade users are requested to continue their operations on NLP-M, as mentioned below

- All Ports and their stake holders shall use the PCS functionality on the new NLP Marine platform
- All Ports shall immediately issue a Trade Notice/ Circular to their individual user/ trade communities to utilize all the modules on the NLP-M platform
- All Ports shall report any errors/ deviations observed etc with specific examples and screen shots to [support.ipcs@nic.in](mailto:support.ipcs@nic.in)

All the stakeholders of PCS1x are invited to utilise NLP-M online platform and offer their valuable comments/suggestions for further improvements.

In order to log in to the system, the users may use their existing PCS 1x credentials or contact Indian Ports Association (IPA) for login credentials at [support.ipcs@nic.in](mailto:support.ipcs@nic.in), Phone 011-24369125, 011-24360105 and 1800115055.
